# Stratford's Got Talent 2009

We would like to welcome you to the Stratford-upon-Avon Civic Hall and **Stratford's Got Talent 2009**. Now in it's second year the show is set to be bigger and better than before. Prepare yourself for a night of fantastic entertainment and what is guaranteed to be a fun packed evening.

Please take your seats for the show to start promptly at 7.30pm. Opening the show this evening is our special guest performance, followed by five of our acts then a short interval. The next five acts will perform and then your votes will be cast and counted. The top 3 acts from the supporter and audience votes will perform in the final, where the judges will choose and pronounce the winner of **Stratford's Got Talent 2009**.

The bar will be open between the performances and raffle tickets will be sold during the evening for the draw before the final.

We hope you enjoy your evening and join us in wishing all of the ten acts well.

## Supported charity for 2009

This year all funds raised from **Stratford's Got Talent** will go to **Stratford Mencap** and **Mencap** in the Midlands. **Mencap** is the voice of learning disability. The charity works with people with a learning disability to change laws and services, challenge prejudice and directly supports thousands of people to live their lives as they choose. A learning disability is caused by the way the brain develops. A learning disability is lifelong and usually has a significant impact on a person's life.

There are 200,000 children & adults with a learning disability in the Midlands, with 12,000 in Warwickshire. Like all of us, they are individuals who want different things in life and need different levels of support.

To find out more about Mencap, learning disability or how you can offer support, visit [www.mencap.org.uk](http://www.mencap.org.uk), or contact Mencap in the Midlands on **0121 708 3037**.

### **The Judges**

We have an experienced panel of judges this evening to guide us through the different talents, offering advice, giving feedback and for some, sounding those buzzers!

Representing our supported charity, Mencap, our first judge is the Regional Fundraising Manager for **Mencap** in the Midlands - **Louise McCathie**

Returning from a successful judging panel stint last year, from **Mercia FM's** breakfast show – **Andy Goulding**

Lastly, with first hand experience of ITV's hit talent show –

### **Special Guest Act**

Opening the show for us this evening is none other than ...

They are ready to rock the arena this evening and set us up for a rip roaring night of talent and entertainment.
